Coaches Comments on the year: "This season was an extremely special one and I was honored to be along for the ride. But all the credit should go to the 40 young men, especially the 16 seniors. The blood, sweat, and tears that they went through these past four years payed off in ways that they may never know. They brought a school and a community together and will go down as one of the greatest Central City Football football teams ever, and set the standard for the future generations." -- Coach Burbach
